

PCN Notice

JAE will be adding an additional stamping die for additional capacity and back-up, if needed, for the MX34 series socket contact part number M34S75C4F1.

The new stamping die is a duplicate of the current production stamping dies. There will be no changes to design, form, fit or function. There will be no disruption to current product shipments.

For existing customers who require any special documentation such as PPAP, please contact your JAE account representative by December 12, 2018.

If you have any questions regarding this matter, please contact your JAE account manager.

Thank you for your cooperation.
