

Product Discontinuance Notice - PDN 21_0152 Rev. -

Analog Devices, Inc. One Analog Way, Wilmington, MA 01887

This notice is to inform you of a product discontinuance for certain ADI products (see Discontinued Parts Material List below). Any issues with this PDN must be sent to ADI as soon as possible. The information contained within this PDN is considered proprietary and should not be shared outside of your company. ADI contact information is listed below.

PDN Title:

Obsolescence of LT3964

Publication Date: 10-Jan-2022

Last Time Buy Date: 04-Feb-2022

Last Time Ship Date: 07-Feb-2022

Revision Description:

Initial Release

Reason For Discontinuance

The LT3964 has been obsoleted due to a fab closure. We're in the process of transferring it to another fab and the part number will change to LT3964-1 after it transfers. There was an improvement made to the PWM diming feature for the LT3964-1. All other specs and the pinout are the same between the LT3964 and LT3964-1. For LT3964-1 samples and the data sheet, please contact marketing.

Comments

See supprting document for further details.
